

ALLAN J. EBBIN, MD, MPH

Doctor Allan Ebbin is presently Vice President, Healthcare Quality and Education, UnitedHealthcare, Nevada Market, Las Vegas, Nevada. He is responsible for Quality Improvement, Quality Management and Member and Professional Education for UnitedHealthcare's managed care plans. Dr. Ebbin sees patients with a family history of cancer in Southwest Medical Associates' Cancer Genetic Risk Assessment Clinic.

UnitedHealthcare provides benefit plans and service solutions on a dedicated basis to large, multi-site employers and coordinates network-based health care benefits and services on behalf of small to mid-sized employers, as well as individuals and families. Dr. Ebbin is a member of the Senior Management Team at UnitedHealthcare, Nevada Market.

Dr. Ebbin is former President of Southwest Medical Associates (SMA), Nevada's largest multi-specialty group medical practice. Prior to joining SMA in 1995, Dr. Ebbin was Associate Vice President, Medical Affairs, FHP Health Care, California.

From 1964 to 1989, Dr. Ebbin was at the University of Southern California. Two of those years were at the Center for Disease Control (CDC) in Atlanta, Georgia, where he was an Epidemiology Intelligence Service Officer. Dr. Ebbin is an Emeritus Professor of Pediatrics and Family Medicine, and former Executive Director, Student Health and Counseling Services at USC.

Dr. Ebbin received his undergraduate training at New York University, and his medical education at the State University of New York, Upstate Medical Center. His internship in Internal Medicine and residency in Pediatrics were at the Los Angeles County USC Medical Center. He received his M.P.H. in Epidemiology at UCLA while on sabbatical from USC. His major professional interests are in health care delivery, epidemiology, preventive medicine and medical genetics.

Dr. Ebbin has four board certifications: Pediatrics, Preventive Medicine, Medical Genetics and the American Board of Quality Assurance and Utilization Review Physicians, and is licensed in Arizona, California, Illinois, Indiana, Louisiana, Mississippi, Missouri, Nevada, New Jersey and Texas. Dr. & Mrs. Audry Ebbin reside in northwest Las Vegas.
