

Marc H. Bennett, President & CEO

Marc H. Bennett is President and Chief Executive Officer at *HealthInsight*, a private, non-profit quality improvement organization (QIO). *HealthInsight* holds the Medicare QIO contracts for Utah and Nevada as well as numerous other private contracts and grants related to health care quality in both states and nationally. The company employs a staff of approximately 60 FTEs and about 200 physician consultants.

Nationally, Mr. Bennett currently serves as President of the American Health Quality Association (AHQA), the trade association for QIOs. He began his term in February 2007. He is also a member of the Board and Executive Committee of AHQA and previously served as Chair of the AHQA CEO Section. He has also served previously on the Board of Directors of Q-mark, Inc., a company which provides HEDIS reporting software and support to health plans and other purchasing groups across the country.

In Utah, Marc is currently Chair of the Utah Patient Safety Steering Committee, the coordinating committee for statewide quality and safety initiatives in the state. He also serves on the Board of the Utah Health Information Network (UHIN), a successful statewide health information exchange. Mr. Bennett has served a member of the Advisory Board of the Matheson Center for Health Care Studies at the University of Utah. He has also previously served on the Board of Directors of the Utah Public Health Association and the Skyline Clinic, a non-profit experimental primary care clinic in Ephraim Utah. In addition, he has served as a member of the Utah State Health Policy Options Commission Workgroup on Quality and the Quality Technical Advisory Group of the Utah Health Policy Commission. He also chaired the Subcommittee on Quality of Governor Leavitt's Utah HealthPrint evaluation project. In Nevada, he serves as a member of the Nevada Center for Patient Safety Governing Committee. He has also served as a member of the Nevada State Legislature's Interim Health Care Committee and as Board Chair for the Shared Health Information Network of Nevada.

Marc is a frequent speaker and presenter in Utah and Nevada as well as nationally on quality and safety topics including Human Factors Science, System Thinking, Design, Transparency and Pay for Performance.
